**Re: Public Meetings on the American Recovery and Reinvestment Act of 2009**

Dear Sir or Madam:

On March 23, 2009, I, Christopher Guttman-McCabe, Vice President, Regulatory Affairs for CTIA – The Wireless Association® participated in a panel discussion on the American Recovery and Reinvestment Act of 2009 at NTIA's public meeting. I attended the panel at NTIA's request to discuss the interconnection and non-discrimination aspects of the Broadband Technology Opportunities Program. A complete transcript of my comments will be available on NTIA's website at <http://www.ntia.doc.gov/broadbandgrants/meetings.html> once they have been compiled.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

*/s/ Christopher Guttman-McCabe*
