Be Judicious with Taxpayer funds

Tuesday, August 13, 2013

- Continue building the foundational elements of the organization and network infrastructure; additionally we will identify the structure for public/private partnerships.
- Establish a sense of urgency to meet our public safety mission, while balancing the need to be judicious with tax payer funds.
- Develop productive relationships with Public Safety and Government stakeholders at the Federal, Tribal, State, County and City levels.

*Like any start-up, we face a lot of unknowns. However, we need to put some stakes in the ground and will course correct as we learn more.*
