11d. Describe any success stories or best practices you have identified. Please be as specific as possible.

The Michigan program formalized the structure, roles, and responsibilities of the Public Safety Broadband Workgroup through the adoption of a Workgroup Charter. The Charter identifies representation from government entity stakeholders and fraternal organizations. Members are appointed by their respective agency or organization and consists of a cross-functional team that includes local, state, and tribal entities, that is geographically diverse with representation from all of the Michigan Regional Planning areas.
