

Broadband USA Applications Database

Applicant Name: Utopian Wireless Corporation

_____ **Public Notice Submissions** _____

-----**Service Area:** MountPleasantMills_PA

Submitter: Nittany Media, Inc.

Comment: We have provided DOCSIS based cable modem service to the Village of Oriental and surrounding areas since 2002. We also provide Gigabit fiber optic based transport to the Juniata County School District's Elementary School located within the proposed service area.

Submitter: Service Electric Cablevision Inc.

Comment: We believe this area is not underserved as defined by the NTIA. Service Electric offers a wide array of broadband speeds with top speeds at 15 Mbps. Verizon also serves this area with DSL broadband speeds over 768k. Over 40% of our customers subscribe to our broadband internet and in the coming months a Docsis 3.0 network will be deployed to this region.
