Applicant Name: Mayfield Electric and Water Systems

_____ **Public Notice Submissions** _____

-----**Service Area:** Mayfield

Submitter: NewWave Communications

Comment: 100 percent of residents already have access to 3 MG or higher through NewWave. NewWave serves 28% of homes passed. Homes passed totals 4,900. Another provider also provides service. In addition, according to data compiled by the Media Business Corporation, an independent research firm, NewWave and its digital subscriber line competitors serve over 40% of homes passed in this particular market. As a result, this market is adequately serviced by NewWave and its competitors.
