

## Broadband USA Applications Database

**Applicant Name:** Goldfield Telephone Company

---

### Public Notice Submissions

---

-----**Service Area:** Clarion

**Submitter:** Mediacom Communications Corporation

**Comment:** Applicant's proposed service area is currently served by at least two wireline broadband service providers, including Mediacom and Goldfield Telephone. Broadband speeds well in excess of the minimum broadband speeds set forth in the NOFA are currently available within the applicant's proposed service area. For its part, Mediacom advertises and provides broadband services within the proposed service area at speeds up to 20 Mbps.

**Submitter:** KeyOn Communications

**Comment:** KeyOn Communications currently provides access at speeds of at least 768kbps downstream and at least 200kbps upstream to more than 50% of the homes in the designated area.

-----**Service Area:** Goldfield

**Submitter:** KeyOn Communications

**Comment:** KeyOn Communications currently provides access at speeds of at least 768kbps downstream and at least 200kbps upstream to more than 50% of the homes in the designated area.

-----**Service Area:** Renwick

**Submitter:** KeyOn Communications

**Comment:** KeyOn Communications currently provides access at speeds of at least 768kbps downstream and at least 200kbps upstream to more than 50% of the homes in the designated area.

**Submitter:** Qwest

**Comment:** As authorized by the BIP and BTOP Notice of Funds Availability and the Public Notice associated with the publication of BIP and BTOP broadband infrastructure project funding applications found on the BroadbandUSA.gov website, Qwest responds with broadband service data to the application of Goldfield Telephone Company, Renwick for funding for an area represented as “underserved” that is located, in whole or in part, in Qwest’s broadband service area.
