Applicant Name: Auburn, City of

Public Notice Submissions

-----**Service Area:** Auburn, IN FTTx Broadband Services

Submitter: Mediacom Communications Corporation

Comment: A large number of households in applicant's proposed service area are currently served by a number of broadband providers including Mediacom and T-Mobile. Broadband speeds well in excess of the minimum broadband speeds set forth in the NOFA are currently available within the applicant's proposed service area. For its part, Mediacom advertises and provides broadband services within the proposed service area at speeds up to 20 Mbps.

Submitter: AT&T

Comment: AT&T is providing data about its wireline and mobile broadband footprint to assist in determining whether the applicant's proposed service area, which may be part of a larger application and project, satisfies the unserved and underserved eligibility requirements. Additional information regarding other broadband service providers' currently operating in the service area may be needed in order to make a reasonable analysis or a conclusive determination.
