

## Broadband USA Applications Database

**Applicant Name:** NEW EA, INC. DBA FLOW MOBILE

---

### Public Notice Submissions

---

-----**Service Area:** Flow Mobile- Sumner, Bremer County, IA

**Submitter:** Community Digital Wireless

**Comment:** Community Digital Wireless has been providing terrestrial wireless broadband service to the proposed area since 2002. New EA designates this area as underserved. Community Digital Wireless' 3 Mbps Internet service is available in approximately 35% of the PFSA. Iowa Telecom and Mediacom offer broadband service in the remaining portions of the PFSA. Community Digital Wireless believes that overall, the PSFA is fully served when all service providers are considered.

**Submitter:** Iowa Telecom

**Comment:** Applicant proposes to offer broadband services in Sumner, IA. Iowa Telecom is the incumbent local exchange carrier in Sumner and already offers 3 to 15 mbps broadband last-mile service throughout the proposed service area. In addition, Iowa Telecom provides dual fiber routes as middle-mile facilities to Sumner. Mediacom competes in Sumner. Based on the variety of broadband services already offered in Sumner, Iowa Telecom asks that this application be rejected.
