

Broadband USA Applications Database

Applicant Name: CCI Systems, Inc.

Public Notice Submissions

-----**Service Area:** CCI-Anderson Lake

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Anderson Lake of CCI Systems, Inc.

-----**Service Area:** CCI-Crivitz

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, Crivitz of CCI Systems, Inc.

-----**Service Area:** CCI-Evergreen Park

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Evergreen Park of CCI Systems, Inc.

-----**Service Area:** CCI-Anderson Lake 2

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Anderson Lake 2 of CCI Systems, Inc.

-----**Service Area:** CCI-CR-CC Oconto Falls

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-CR-CC Oconto Falls of CCI Systems, Inc.

-----**Service Area:** CCI-Powers/Carney/Nadeau

Submitter: Charter Communications

Comment: Charter Communications ('Charter'), a broadband service provider, has invested capital to provide a full range of Broadband services, including High Speed Internet services, in this service area. The applicant's request in the proposed under-served service area would create an overlap in Charter's service area. Charter's response includes the necessary information to validate the overlapping condition as a result of this applicant's request.

-----**Service Area:** CCI-Wausaukee

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Wausaukee of CCI Systems, Inc.

-----**Service Area:** CCI-Potato Lake

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Potato Lake of CCI Systems, Inc.

-----**Service Area:** CCI-Lakewood

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Lakewood of CCI Systems, Inc.

-----**Service Area:** CCI-Oconto

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Oconto of CCI Systems, Inc.

Submitter: Charter Communications

Comment: Charter Communications ('Charter'), a broadband service provider, has invested capital to provide a full range of Broadband services, including High Speed Internet services, in this service area. The applicant's request in the proposed under-served service area would create an overlap in Charter's service area. Charter's response includes the necessary information to validate the overlapping condition as a result of this applicant's request.

-----**Service Area:** CCI-Bear Creek

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Bear Creek of CCI Systems, Inc.

-----**Service Area:** CCI-Suring

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Suring of CCI Systems, Inc.

-----**Service Area:** CCI-Greenwood

Submitter: TDS Telecom

Comment: TDS Telecom offers 3Mbps broadband service within the applicants proposed service area and provides broadband service to customers pursuant to the NOFA definitions.

-----**Service Area:** CCI-Townsend

Submitter: Nsighttel Wireless, LLC (dba "Cellcom")

Comment: Cellcom makes available access to facilities based wireless broadband service at greater than the minimum broadband transmission speed as described in NOFA to more than 50% of the households in the existing service area mapped below. The map confirms that Cellcom's existing service area overlaps with the proposed funded service area, CCI-Townsend of CCI Systems, Inc.
