Submitter: Windjammer Communications LLC

Comment: This application seeks to deploy broadband infrastructure in an area in Idaho encompassing Mountain Home and Mountain Home Air Force Base in Elmore County. The city of Mountain Home and Mtn. Home Air Force Base have been served by Windjammer Communications for fixed broadband services ranging from 768 kbps download to 10 mpbs download since 2002. The service is available to both residential and commercial customers.

Submitter: Safelink Internet

Comment: There are a large number of providers serving many different areas of this application.

Submitter: Qwest

Comment: As authorized by the BIP and BTOP Notice of Funds Availability and the Public Notice associated with the publication of BIP and BTOP broadband infrastructure project funding applications found on the BroadbandUSA.gov website, Qwest responds with broadband service data to the application of NTCH, Inc. for funding for an area represented as “underserved” that is located, in whole or in part, in Qwest’s broadband service area.

Submitter: DigitalBridge Communications Corp.

Comment: DigitalBridge Communications (“DBC”) currently offers true 4G, WiMAX broadband service in the applicant’s PFSA, serving an active base of residential and business subscribers in the PFSA. Other companies also serve the PFSA - DBC actively competes with cable (Cable One) and DSL (Qwest)

broadband providers in the PFSA. DBC estimates 18-20% overlap of its coverage with the PFSA based on households served in the underserved areas.

Submitter: SpeedyQuick Networks Inc.

Comment: With SpeedyQuick Networks High-Speed Internet access you no longer have to pay for a second phone line to connect to the internet, or wait for Cable or DSL to come to your neighborhood.
