### Public Notice Submissions

---

-----**Service Area:** Middle Mile Tower locations

**Submitter:** Siskiyou Telephone Company

**Comment:** The Applicant proposes to provide backhaul for its proposed microwave tower system within the Respondent's service area. Respondent currently offers broadband service at speeds up to 3Mbps down/1Mbps up throughout Respondent's service area.

-----**Service Area:** Last Mile map

**Submitter:** Northland Communications Corporation

**Comment:** No comment.

**Submitter:** Cal-Ore Telephone Co.

**Comment:** Cal-Ore Telephone Co. provides Wireless Broadband service in the Lake Shastina, CA area at speeds exceeding the NOFA definition. The service is offered at approximately 90% of the customer locations in the Lake Shastina, CA area.

-----**Service Area:** Middle mile tower coverage area

**Submitter:** Charter Communications

**Comment:** Charter Communications ('Charter'), a broadband service provider, has invested capital to provide a full range of Broadband services, including High Speed Internet services, in this service area. The applicant's request in the proposed un-served service area would create an overlap in Charter's service area. Charter's response includes the necessary information to validate the overlapping condition as a result of this applicant's request.

**Submitter:** Siskiyou Telephone Company

**Comment:** Applicant erroneously classifies the overlapping service area of Respondent as unserved. Respondent offers broadband service at speeds up to 3Mbps down/1Mbps up. Service is available throughout service area as Respondent is carrier of last resort. Furthermore, Respondent is aware of competitive coverage from an alternative wireless carrier in selected areas of the Respondent.
