Applicant Name: Sandwich Isles Communications, Inc.

Public Notice Submissions

-----**Service Area:** Hamakua Coast

Submitter: Hawaiian Telcom, Inc. Debtor-in-Possession

Comment: Over 50% of the households and businesses in the proposed funded service area have access to broadband service at greater than the minimum broadband speed from Hawaiian Telcom and other existing wireline providers and therefore, under the definitions in the NOFA, the proposed funded service area is not underserved and therefore has been inappropriately designated as either an unserved or underserved area in the subject application.
