

Broadband USA Applications Database

Applicant Name: The City of Sallisaw, Oklahoma

Public Notice Submissions

-----**Service Area:** Sequoyah County FTTP

Submitter: AT&T

Comment: AT&T is providing data about its wireline and mobile broadband footprint to assist in determining whether the applicant's proposed service area, which may be part of a larger application and project, satisfies the unserved and underserved eligibility requirements.

Additional information regarding other broadband service providers' currently operating in the service area may be needed in order to make a reasonable analysis or a conclusive determination.

Submitter: Suddenlink Communications

Comment: This response conclusively demonstrates that Suddenlink and its competitors already offer robust broadband service within the mapped area of the applicant's proposed funded service area and that this area is neither unserved nor underserved. Additional information is provided in the uploaded document, including (1) sample marketing materials; (2) a guide to how to read the data strings entered in the "Existing Broadband Subscribers" section of this response; (3) a signed vendor affidavit re: the methodology used for estimating total broadband subscribers in a proposed/mapped area; (4) a summary of concerns with the response process; (5) additional detailed data that may be of use to the federal agency or agencies reviewing this response; and (6) Suddenlink contact information, should one or more federal agencies have questions or require additional information.
