

Broadband USA Applications Database

Applicant Name: Manti Tele Communications Co, Inc

Public Notice Submissions

-----**Service Area:** Juan County

Submitter: Qwest

Comment: As authorized by the BIP and BTOP Notice of Funds Availability and the Public Notice associated with the publication of BIP and BTOP broadband infrastructure project funding applications found on the BroadbandUSA.gov website, Qwest responds with broadband service data to the application of Manti Tele Communications Co, Inc for funding for an area represented as “unserved” that is located, in whole or in part, in Qwest’s broadband service area.

-----**Service Area:** Millard County

Submitter: Altazip Inc

Comment: We as well as 3 other companies provide broadband Internet access to the communities in question in the Millard County Utah Region. Furthermore I know of at least 3 Companies providing broadband Access in the Juab County Region of Utah.

A look at the current FCC's form 477 Data should show exact Census tract data for broadband penetration.

I Protest this application.

Submitter: Citizens Telecommunications Company of Utah

Comment: A portion of the applicant's territory is already served by the respondent. 3MG speed or higher is available and advertised.
