

## Broadband USA Applications Database

**Applicant Name:** Communications Infrastructure Group, LLC

---

### Public Notice Submissions

---

-----**Service Area:** Alabama

**Submitter:** Pine Belt Cellular Inc. dba Pine Belt Wireless

**Comment:** Pine Belt Cellular, Inc., dba Pine Belt Wireless, has been offering broadband data service to its subscribers for 3 years. The area applied for by the ARRA applicant falls within the franchised, FCC licensed and fixed wireless service areas of Pine Belt Cellular, and is served with high speed internet broadband service.

**Submitter:** Pine Belt Telephone Company, Inc.

**Comment:** Pine Belt Telephone Company, Inc. has been offering broadband speed data service to its subscribers for 7 years. The area applied for by the ARRA applicant which falls within the telephone exchange boundary is served with high speed internet broadband service. Pine Belt, through its subsidiary Pine Belt Broadcasting, LLC, also provides fiber broadband interconnectivity to eleven school locations in Orville, Lindon, Sweetwater, Dixon Mills and Choctaw County School district.

**Submitter:** Hayneville Fiber Transport d/b/a Camellia Communic

**Comment:** Hayneville Fiber Transport, Brighthouse and CenturyLink provide telecommunications and Internet services within the proposed service areas included in Butler County, Alabama. Hayneville Fiber Transport provides high-speed Internet and telecommunications services in the rural areas of Butler County and within the city limits of Georgiana and McKenzie at speeds of 3 MB or less. CenturyLink is an incumbent local exchange carrier (ILEC) also providing telecom and high-speed Internet services in Butler County, and cable competitor Brighthouse provides high-speed Internet within the city limits of Georgiana. Butler County, and in particular, Georgiana and McKenzie, thus may not qualify as underserved areas.
