

Broadband USA Applications Database

Applicant Name: Mushroom Networks, Inc.

_____ **Public Notice Submissions** _____

-----**Service Area:** Johnstown PA

Submitter: Atlantic Broadband

Comment: The application of Mushroom Network Inc. attempts to characterize as 'underserved' schools and libraries in Johnstown, PA. Atlantic Broadband is the video, high speed broadband and digital phone provider in Johnstown. Broadband is available to all schools and libraries, at speeds far in excess of the minimum threshold of 768/200 kpbs. Speeds well in excess of 3mpbs are offered and advertised. (Documentation attached).
