

## Broadband USA Applications Database

**Applicant Name:** Utopian Wireless Corporation

---

### Public Notice Submissions

---

-----**Service Area:** Bridgewater\_VA

**Submitter:** Rural Broadband Network Services dba Highspeedlink

**Comment:** This entire area is serviced by Fixed, mobile, Cable and DSL services.??

**Submitter:** Shentel

**Comment:** Shentel has committed to deploying broadband DSL service to 100% of the North River service area in Augusta County. Speeds up to 3 Mbps will be available by the end of 2009, and will eventually reach 10 Mbps in 2010. Deployments will begin in November, 2009 and be finished in the first half of 2010. Shentel has also started construction of a fiber optic backbone network that will connect North River to Shentel's existing fiber network and one of the nation's largest Internet points of presence in Ashburn, VA.

**Submitter:** Virginia PCS Alliance L.C. dba NTELOS

**Comment:** NTELOS herein provides information on its existing broadband services within Applicant's proposed service area to be funded.
