Applicant Name: DigitalBridge Communications Corp.

Public Notice Submissions

-----**Service Area:** DBC Botetourt County

Submitter: Virginia PCS Alliance, L.C. dba NTELOS

Comment: NTELOS herein provides information on its existing broadband services within Applicant's proposed service area to be funded.

Submitter: NTELOS Telephone Inc.

Comment: NTELOS Telephone extensively serves the cities, towns, and surrounding areas of Botetourt County, VA, with the latest Fiber To The Premises technology, DSL, and 3G Mobile Broadband. NTELOS currently provides and advertises High Speed Internet service using DSL technology at speeds up to 6Mbps downstream and up to 1Mbps upstream. NTELOS has been providing DSL since 2000 in Daleville, Troutville and Botetourt County. NTELOS has deployed fiber optic technology since 2007 for FTTP services that provide Broadband Internet speeds of up to 20Mbps, as well as offering additional video and voice services. NTELOS also provides DS3/T-3 dedicated bandwidth and fiber-based Metro-Ethernet services to businesses at speeds up to multiples of hundreds of Megabits per second. In addition, cable modem service is provided by Comcast in portions of Botetourt County, further increasing the availability of High Speed Internet services to residences and businesses. Verizon Wireless also serves the identified area with 3G Mobile Broadband.

As it does not meet the minimum requirements set forth in the NOFA, this application should be rejected.

Submitter: Comcast Cable

Comment: Attached is a summary of the Comcast Cable homes passed, subscriber and advertising information related to the service areas encompassed by this application.
