

Broadband USA Applications Database

Applicant Name: South Suburban Mayors and Managers Association

Public Notice Submissions

-----**Service Area:** SSMMA Region

Submitter: WideOpenWest Illinois, LLC

Comment: Summary

WideOpenWest Illinois, LLC (“WOW”) is a terrestrial based competitive provider of broadband services, including high-speed data or Internet (“WOW Broadband Services”).

Applicant’s proposed Service Area includes the following municipalities (which are further identified in the accompanying WOW Service Area Maps), within which WOW is capable of providing WOW Broadband Services to 100% of such municipalities Residential Households and Business Establishments: Naperville, Palos Park, Crestwood, Robbins, Calumet City, and Chicago Heights.

In addition to WOW, 100% of the Residential Households and Business Establishments within the municipalities set forth above and in the WOW Service Area Maps are capable of receiving broadband service by other terrestrial based broadband services providers such as Comcast and AT&T.

Consequently, the proposed Service Area is neither unserved nor underserved.

Submitter: AT&T

Comment: AT&T is providing data about its wireline and mobile broadband footprint to assist in determining whether the applicant's proposed service area, which may be part of a larger application and project,

satisfies the unserved and underserved eligibility requirements.

Additional information regarding other broadband service providers' currently operating in the service area may be needed in order to make a reasonable analysis or a conclusive determination.

Submitter: Comcast Cable

Comment: Attached is a summary of the Comcast Cable homes passed, subscriber and advertising information related to the service areas encompassed by this application.
