

North Carolina Strategic Technology Reserve (STR) Program

**Tanya Luter
NC State Highway Patrol
tluter@ncshp.org
919-662-4440**

Overview

- ◆ PSIC funding went to the purchase of 2 portable towers and 6 deployable cache radio trailers to be strategically placed within the State
- ◆ North Carolina has 9 Domestic Preparedness Regions (D.P.R)

PSIC STR

Portable Tower (2)

- ◆ (1) VHF Repeater
- ◆ (1) UHF Repeater
- ◆ (1) 800 MHz Conventional Repeater
- ◆ Rack Mounted tactical patch solution
- ◆ **Minimum of 80' telescoping tower**

Deployable cache radio trailer (6)

- ◆ 14 foot utility trailers
- ◆ Rack chargers
- ◆ Pelican cases for radio storage
- ◆ 20 VHF, 20 UHF, 20 800MHz, 20 Family Service Radios
- ◆ 6.5 kw portable generator
- ◆ Laptop and printer
- ◆ Workbench and basic tools

RT 6

Success Stories

- ◆ Hurricane Earl
 - Deployment of radio trailers to both Currituck County EM and Carteret County EM for interoperable communications
- ◆ Greene County murder of a Sheriff Deputy
 - Radio trailer bridged communications between Greene County Sheriff's Office and SBI
- ◆ Emerald Isle PD water tower upgrade – portable tower used for 6 months
- ◆ Other usage:
 - **US Women's Open** – deployment of portable tower
 - Nuclear power plant exercises – deployment of radio trailer
 - Local events – deployment of radio trailer and possible portable tower for public safety
