RE: Docket Number 060512129-6129-01

Dear Mr. Brown:

The purpose of this letter is to support the U.S. Hispanic Chamber of Commerce Foundation's (USHCCF's) request that the National Telecommunications and Information Administration (NTIA) include a Hispanic outreach component to the DTV coupon program.

Sprint Nextel has worked with organizations such as USHCCF and others to help foster opportunity among Hispanic businesses and consumers. Because many Hispanic households will utilize the DTV coupon program to maintain access to over-the-air broadcast programming, NTIA should include such an outreach and educational component to the DTV coupon program. USHCCF is well positioned through its relationships and expertise to conduct this program.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Tammy Edwards".
