Amendment Number Sixteen (16)

1. The time line for the development of the Shared Registration System stated in Amendment Number 11, Shared Registry Section, as revised, is revised as follows:
 - 3. By April 26, 1999**, NSI will establish a test bed supporting actual registrations in .com, .net and .org by 5 registrars accredited by NewCo (Accredited Registrars). (Phase 1) Effective August 6, 1999, Accredited Registrars in addition to the 5 initial Phase 1 Accredited Registrars will be eligible to participate in Phase 1 deployment of the Shared Registration System provided that they have executed the Registrar Licence and Agreement and Confidentiality Agreement approved for use during Phase 1.
 - 4. By September 10, 1999**, the Shared Registration System will be deployed by NSI and available to support multiple licensed Accredited Registrars offering registration services within the gTLDs for which NSI now acts as a registry. (Phase 2)
2. Except as modified by this Amendment, the terms and conditions of the Cooperative Agreement, as previously amended, remain unchanged.
