academia, and (2) representatives of a U.S. industry sector (through a U.S. entity or organization). Individual experts will be appointed as Special Government Employees (SGEs) under 18 U.S.C. 202 and will be required to comply with certain ethics laws and rules, including filing a Confidential Financial Disclosure form. The representatives will express the views and interests of their industry sector and will likely be members of a U.S. entity or organization that is within the relevant sector. Because they serve in a representative capacity, they will not be SGEs. Prospective nominees should designate the capacity in which they choose to serve and identify either their area of expertise or the U.S. industry sector they wish to represent.

Each member of the Committee must be a U.S. citizen, and not registered as a foreign agent under the Foreign Agents Registration Act. Additionally, a member must not be a Federally registered lobbyist. No member may represent a company that is majority owned or controlled by a foreign government entity or entities. Appointments will be made without regard to political affiliation.

Members shall serve at the pleasure of the Secretary from the date of appointment to the COMMITTEE to the date on which the COMMITTEE’s charter terminates (normally two years). The Secretary shall designate the Committee Chair and Vice Chair from selections made by the members. The Chair and Vice Chair will serve in those positions at the pleasure of the Secretary. The Department, through the Assistant Secretary for Manufacturing and Services, may establish subcommittees or working groups from among the Committee’s members as may be necessary, and consistent with FACA, the FACA implementing regulations, and applicable Department of Commerce policies. Such subcommittees or working groups may not function independently of the chartered committee and must report their recommendations and advice to the Committee for full deliberation and discussion. Subcommittees or working groups have no authority to make decisions on behalf of the Committee nor can they report directly to the Secretary or his or her designee. The Assistant Secretary for Manufacturing and Services shall designate a Designated Federal Officer (DFO) from among the employees of the Office of Service Industries. The DFO will approve or call all of the advisory committee meetings, prepare and approve all meeting agendas, attend all committee meetings, adjourn any meeting when the DFO determines adjournment to be in the public interest, and chair meetings when directed to do so by the Secretary.

III. Meetings

The Committee shall, to the extent practicable, the Committee shall meet as necessary, but not less than once per year. No quorum is required. Additional meetings may be called at the discretion of the Secretary or his designee.

IV. Compensation

Members of the COMMITTEE will not be compensated for their services or reimbursed for their travel expenses.
