Describe your progress meeting each major activity/milestone approved in the Baseline Report for this project; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project milestones or information.

DMS Subgrant agreement was signed on October 28, 2016. DMS has replaced DHSMV as the party responsible for oversight and management of FloridaNet (FirstNet) activities. November 16-17, 2016 DMS sent two representatives to the FirstNet SPOC fell Meeting in Phoenix Arizona. DMS's subcontract with ISF for Data Collection for FirstNet was signed November 18, 2016. ISF and Televate had the kick off meeting for the data collection on November 29, 2016. One December 9, 2016 DMS hosted a FloridaNet Executive Committee meeting via web conference, 28 stakeholders attended. 437 hits were counted on the FirstNet site. Coverage reviews were being performed by ISF starting Wednesday November 30, 2016. The Coverage review includes Users and their operational areas. Coverage maps are being updated based upon the Coverage reviews for Capacity planning. ArcGIS application is being finalized for data analysis. Along with the Coverage reviews providing current providers and procurement methods, an online survey will provide additional information regarding current providers and procurement methods. All the phase 2 activities are being compiled to start the State Plan Decision document. The Survey was finalized and a link provided on the FloridaNet website.

¹¹b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the Baseline Report must be approved by the Department of Commerce before implementation.
