Title: Margin Requirements for
Uncleared Swaps for Swap Dealers and
Major Swap Participants; Comparability
Determinations With Margin
Requirements (OMB Control No. 3038–
0111). This is a request for an extension
and revision of a currently approved
information collection.

Abstract: Section 731 of the Dodd-
Frank Wall Street Reform and Consumer
Protection Act (“Dodd-Frank Act”).
amended the Commodity Exchange Act
(“CEA”), 7 U.S.C. 1 et seq., to add, as
section 45(e) thereof, provisions
concerning the setting of initial and
variation margin requirements for swap
dealers (“SDs”) and major swap
participants (“MSPs”). Each SD and
MSP for which there is a Prudential
Regulator, as defined in section 1a(39)
of the CEA, must meet margin
requirements established by the
applicable Prudential Regulator, and
each SD and MSP for which there is no
Prudential Regulator (“Covered Swap
Entities” or “CSEs”) must comply with
the Commission’s regulations governing
margin on all swaps that are not
centrally cleared.

With regard to the cross-border
application of the Commission’s margin
rules, section 2(i) of the CEA provides
the Commission with express authority
over activities outside the United States
relating to swaps when certain
conditions are met. Section 2(i) of
the CEA provides that the provisions of the
CEA relating to swaps that were enacted
by the Wall Street Transparency and
Accountability Act of 2010 (including
any rule prescribed or regulation
promulgated under that Act), shall not
apply to activities outside the United
States unless those activities (1) have a
direct and significant connection with
activities in, or effect on, commerce of
the United States or (2) contravene such
rules or regulations as the Commission
may prescribe or promulgate as are
necessary or appropriate to prevent the
evasion of any provision of the CEA
that was enacted by the Wall Street
Transparency and Accountability Act of
2010.

On May 31, 2016, the Commission
published a final rule addressing the
cross-border application of its margin
requirements for uncleared swaps
applicable to CSRs. As described
below, the adopting release for the Final
Rule contained a collection of
information regarding requests for
comparability determinations, which
was previously included in the
proposing release, and for which the
Office of Management and Budget
(“OMB”) assigned OMB control number
3038–0111, titled “Margin
Requirements for Uncleared Swaps for
Swap Dealers and Major Swap
Participants; Comparability
Determinations With Margin
Requirements.” In addition, the
adopting release included two
additional information collections
