11b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the Baseline Report must be approved by the Department of Commerce before implementation.

Due to the release of Phase 2 funds, we anticipate major changes to the baseline report. Indiana will follow all guidelines and requirements set forth by NTIA.

11c. Provide any other information that would be useful to NTIA as it assesses this project's progress.

Indiana's initial FirstNet consultation has been scheduled for August 26, 2015. Additionally, we have scheduled our SLIGP Site Visit for June 16-17, 2015.

11d. Describe any success stories or best practices you have identified. Please be as specific as possible.

12. Personnel

12a. If the project is not fully staffed, describe how any lack of staffing may impact the project's time line and when the project will be fully staffed.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a currently valid OMB control number. Public reporting burden for this collection of information is estimated to average 10 hours per response for the application process, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Michael Dame, Director, State and Local Implementation Grant Program, Office of Public Safety Communications, National Telecommunications and Information Administration, U.S. Department of Commerce (DOC), 1401 Constitution Avenue, N.W., HCHB, Room 7324, Washington, D.C. 20230.

**The PPR for the quarter ending 12/31/2014 reported \$403.97 in expenditures in project budget element *d. Equipment* under the Federal Funds column (column 5). -This was in error. The expenditure was actually in *e. Materials/Supplies*, and this is accurately reflected on this report for the quarter ending 03/31/2015.

**The PPR for the quarter ending 12/31/2014 reported \$12,909.98 in total (cumulative) travel expenditures. Due to an accounting adjustment to remove ineligible expenses, travel expenditures for the quarter ending 03/31/2015 net to <u>-\$1,243.21</u>, causing total (cumulative) travel expenditures to decrease slightly to \$11,666.77.
