<b>11a. Describe your progress meeting each major activity/milestone approved in the Baseline Report for this project; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project milestones or information.</b>					
<p>The project team continues to identify Stakeholders and associated demographic data. The grants team has engaged vendors that have the skills sets and resources to work on the annual meetings. The Administrative Services Coordinator was hired and started employment this quarter. This individual assists in the coordination of the Stakeholders Meetings and Education/Outreach Conferences. Five key staff from the Department of Information Technology attended the June 2014 NASTD Conference in Santa Fe, New Mexico. One key staff from the Department of Information Technology attended the Public Safety Broadband Stakeholder Conference (PSCR) 2014 in June in West Minster, Colorado. The Southwest Border Patrol Working Group was conducted September 24, 2014 in Santa Fe, New Mexico.</p>					

**11b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the Baseline Report must be approved by the Department of Commerce before implementation.**

N/A for this quarter

**11c. Provide any other information that would be useful to NTIA as it assesses this project's progress.**

DoIT signed a contract and conducted an initial kick off meeting with Consolidated Telecommunications Services (CTS) to provide materials development for our first state-wide education and outreach meeting. Materials development will include, but not be limited to, PowerPoint presentations, brochures, handouts that will either be presented or distributed during the meeting. The meeting is scheduled for December 8<sup>th</sup> and 9<sup>th</sup> in Albuquerque, New Mexico.

**11d. Describe any success stories or best practices you have identified. Please be as specific as possible.**

The SLIGP team is working with our internal web application team to establish a dedicated website for event participants to view and download education materials, view videos as well as a calendar of events and register to attend SLIGP events. Documentation and procedures have been developed to manage participant travel reimbursement. Specific processes have been prescribed to encourage attendee participation and identify regional and local leaders for scheduling regional and local meetings. A process is also in place to identify individuals who have concerns and objections in order to specifically understand the nature of their concerns and develop an appropriate response.

## 12. Personnel

**12a. If the project is not fully staffed, describe how any lack of staffing may impact the project's time line and when the project will be fully staffed.**

The Administrative Service Coordinator; Financial Coordinator Operational; and Financial Specialist have been hired and currently working. The Financial Coordinator Advanced has been hired and will begin work next quarter. The Business Analyst position has been re-posted and will be filled next quarter. The hiring of these positions will not affect the projects timeline.
