Subject: Comments on Developing the Administration's Approach to Consumer Privacy
Date: Tuesday, September 25, 2018 6:14:24 PM

Require that all release of Consumer data be by OPT-IN where the individual/Consumer has to specifically allow that release of the data (check box, and digital signature with the IP Address and date/time, and if possible the Media Access Control Address all to be logged and retained for a period of 7-10 years)
