

Grant Award Number: 49-10-S13049-02

Recipient Organization: State of Utah Department of Technology Services

**National Institute of Standards and Technology
State and Local Implementation Grant Program
Special Award Conditions**

22. Transfer Acknowledgement:

NIST acknowledges the letter dated 10/24/2014, requesting to transfer award number 49-10-S13049 from the State of Utah Department of Technology Services to the Utah Communications Authority. The Utah Communications Authority has assumed all responsibilities listed in the transfer agreement of the State of Utah Department of Technology Services. The amount to be available for the Utah Communications Authority under this award is \$2,189,836.03 for the period November 1, 2014 – August 31, 2016. The execution of a transfer agreement does not preclude the use of any other method available to the Grants Officer to resolve any other issues related to a transfer of recipient assets, including the treatment of costs.

When accessing the Automated Standard Application for Payment (ASAP) system, the Account ID will be **49-10-S13049N** (award number with an “N” at the end).

ALL PREVIOUS TERMS AND CONDITIONS REMAIN IN EFFECT.
