11a. Describe your progress meeting each major activity/milestone approved in the Baseline Report for this project; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project milestones or information.				
<p>1. Stakeholders Engaged: These meetings were with regional interoperability committees, the State Interoperability Executive Committee, and public safety leaders via the FirstNet Metro Leadership Outreach campaign. Also engaged state and local representatives regarding information and access to the Portal. State officials engaged in outreach and discussions for opt-in / opt-out decision making. Participated in the congressional testimony in DC; 2. Governance Meetings: The Statewide Interoperability Executive Committee met for a quarterly face-to-face conference and was solidified with a wide-range of public safety representatives; SIEC technical committee met also with special attention paid to portal information and access as it related to the delivered State Plan. Both FirstNet and AT&T representatives participated in many outreach events during the quarter and were major contributors to the SIEC Governance meeting. 3. Conference Outreach Events: 7 outreach regional conferences were held in this quarter; these conferences occurred in the months of August and September. 4. Education and Outreach Materials Distributed: Provided handouts to outreach attendees and left handouts with organizations for follow-on distribution.</p>				
11b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the Baseline Report must be approved by the Department of Commerce before implementation.
