| <b>Milestone Data Narrative: Please Describe in detail the types of milestone activities your SLUGP grant funded (Please reference each project type you engaged in. Example: Governance Meetings, Stakeholders Engaged)</b><br>Governor of Wyoming - Matt Mead, opt-ed Wyoming into FirstNet July 10, 2017. Wyoming became the 2nd state to accept the State plan and opt-in. During the Eclipse, Wyoming was the first state to have FirstNet services purchased and functioning for an event. Casper PD and Teton County purchased mobile hot spots for additional capacity and coverage. Troy Babbitt - Telecommunications Program Manager at WYDOT was the WY SPOC for the entire SLUGP 1.0 time frame. He also became the SWIC, with the retirement of Bob Symons, Sept 2017. Note: OVERTMATCH: state hours exceeded match and were no longer be recored for match, based on number of hours contributed. Personal Salaries (a.) and Personnel Fringe Benefits (b.) have maxed out at \$30,000 and \$10,000 respectively. Line item was zeroed (0) out. SLUGP 2.0 application was submitted Dec 21, 2017 and awarded March 28, 2018. There were 1274 Wyoming stakeholders recorded over the SLUGP 1.0 time period. These stakeholders were engaged in many different ways. Many attended the Governors annual Broadband Summits, where FirstNet presented. The project was also updated at every PSCC (Public Safety Communications) meeting. |   |   |  |  |                              |

This will include the concept, status, tower buildout, subscriptions, coverage area, any and all activities.   |   |   |  |  |                              |

**Data collection narrative: Please describe in detail the status of your SLUGP funded data collection activities.**

Specific data collection that was requested from FirstNet was funded by SLUGP. This involved setting five separate levels of priority service area's, across the state. This data was then mapped and sectioned into separate data layers for conversation on primary data coverage needed and at what time frame of the five years.

**Please describe in detail any data collection activities you plan to continue beyond the SLUGP period of performance.**

Public Safety data collection continues with partnerships with Wyoming Highway Patrol, WYDOT IT and Office of Homeland Security. Coverage gaps in FirstNet/AT&T are continual and will work in partnership to identify.
