Applicant Name:  Hughes Network Systems, LLC

-----Service Area:  AL - Autauga-Rural

Submitter:  Bright House Networks, LLC

Comment:  In support of NTIA and RUS' efforts to optimize the distribution of the scarce resources available under the ARRA Broadband NOFA, Bright House Networks is providing additional data related to this Applicant’s planned service areas. This application includes service areas which are not unserved nor underserved.

-----Service Area:  VA - Amelia

Submitter:  Richmond 20 MHz LLC dba NTELOS

Comment:  NTELOS herein provides information on its existing broadband services within Applicant’s proposed service area to be funded.
