Applicant Name:  Youth Policy Institute

Service Area:  YPI

Submitter:  Time Warner Cable

Comment:  As shown in the attached map and exhibit, TWC currently provides broadband Internet access service in the Proposed Funded Service Area. In addition, we advertise service of speeds above 3 Mbps throughout this service area. We pass over 50% of households, and either (1) have actual broadband subscribship of over 40% of the households in these census blocks or (2) the combined broadband subscribship of the wireline broadband providers (including TWC) in these census blocks is reasonably likely to exceed 40%. Therefore, that portion of the proposed funded service area that overlaps Respondent’s service area reflected in this response is neither “unserved” or “underserved.”
