Broadband USA Applications Database

**Applicant Name:** University Corporation at Monterey Bay

_______________________Public Notice Submissions_______________________

-----**Service Area:** CCBC Service Area

**Submitter:** AT&T

**Comment:** AT&T is providing data about its wireline and mobile broadband footprint to assist in determining whether the applicant's proposed service area, which may be part of a larger application and project, satisfies the unserved and underserved eligibility requirements. Additional information regarding other broadband service providers' currently operating in the service area may be needed in order to make a reasonable analysis or a conclusive determination.

**Submitter:** Comcast Cable

**Comment:** Attached is a summary of the Comcast Cable homes passed, subscriber and advertising information related to the service areas encompassed by this application.

**Submitter:** Pinnacles Telephone Co.

**Comment:** Pinnacles Telephone Co. is currently capable of providing DSL to most of it's subscribers, residents of southern San Benito County. Communities include most of Paicines, San Benito and Idria.
