

Broadband USA Applications Database

Applicant Name: The Wired Road

Public Notice Submissions

-----**Service Area:** SA2

Submitter: CenturyLink

Comment: CenturyLink is submitting data that shows the application's proposed service area is not underserved or unserved, under program guidelines. Accordingly, the application must be denied as ineligible. With limited funding and a large pool of applications, program grants and loans must be directed only to areas that are truly underserved or unserved, as stipulated in the program guidelines.

CenturyLink can certify that its affiliates currently offer broadband service in some or all of the applicant's proposed service areas. We attach a representative sample of areas where the application overlaps our existing broadband deployment. This data is not exhaustive; the application may include other areas also currently served with broadband by CenturyLink or other providers. We will provide additional information on request if that will further assist the agency's review.

CenturyLink also provides data showing broadband availability in local telephone exchanges within the proposed service areas. This includes areas served by CenturyLink and/or other broadband providers. This data further shows the applicant would duplicate and overlap existing broadband services in the proposed service areas.
