Applicant Name:  WILLINGBORO BOARD OF EDUCATION

Project Title:  High Speed Fiber optic-based Wide Area Network

Project Type:  Comprehensive Community Infrastructure

_________________________ Executive Summary_________________________

High-speed digital connectivity is the backbone on which most educational technology services will be delivered in the next five years, to use these services effectively district-wide, a high-speed link to each school building is necessary. This project will provide the Willingboro School District with virtually unlimited bandwidth, security, and reliability at a fixed cost.
