

OMB Control No. 0660-0047 Expiration Date: 07/31/2025

TRIBAL BROADBAND CONNECTIVITY PROGRAM ANNUAL REPORT

GENERAL INFORMATION

GENERAL	Recipient Organization:	Bay Mills Indian Community	Award Identification Number:	NT23TBC0290053
	Recipient Street Address:	12140 West Lakeshore Drive	Report Submission Date (MM/DD/YYYY):	04/05/2024
	City, State, Zip Code:	Brimley, Michigan 49715-9319		
	DUNS/UEI Number:			
	Period of Performance Start Date (MM/DD/YYYY):	04/01/2023	Period of Performance End Date (MM/DD/YYYY):	03/31/2025
	Report Period Start Date (MM/DD/YYYY):	09/01/2023	Report Period End Date (MM/DD/YYYY):	04/01/2024
1	Provide the number of locations or geographic areas at which broadband service was provided using the grant funds. (Please attach associated shapefiles of geographic areas) (600 words or less)			
	This project will be in one primary location. Address as: 12124 West Lakeshore Drive, Brimley, Michigan 49715			
2	Please describe each service provided with grant funds. (600 words or less)			
	The project is ongoing at this time. Funding will assist for the development of a NOC that will be at the center of broadband deployment.			
3	If applicable, please list subcontractors and describe how they expended funds. (600 words or less)			
	Not applicable at this time.			
4	Please describe how the recipient and subrecipient (if applicable) expended the funds. (600 words or less)			
	Not applicable at this time.			
5	If applicable, please list each subrecipients that received a subgrant through funding. (600 words or less)			
	Not applicable at this time.			
6	Please provide the barriers to broadband use and adoption or broadband infrastructure deployment work that you experienced during the reporting period of this award to date. What steps did you take to address them? (600 words or less)			
	At this time, there is ongoing construction that has been paid for with other funding at the location of the NOC. The construction site has multiple layers of work being completed so that is taking a some time. We also have to do a new budget to account for the delay in spending.			
7	Please describe whether or not your organization connected NOFO purpose areas to broadband adoption and use or broadband infrastructure deployment work. (600 words or less)			
	This project will assist with a NOC that will serve as the center of broadband deployment for the existing and future networks and will help to enable future and sustainable broadband development. This funding will be used for the interior components of the project. Including but not limited to: insulation, HVAC, electrical and plumbing, flooring, painting, installation of equipment, placement of other project items, and other misc. construction incurred with a project of this capacity.			
8	Please describe your project's achieved accomplishments during this reporting period. (600 words or less)			
	This project is still ongoing.			

9	Using the Excel spreadsheet template titled "TBCP Reports Addendum A", please provide an updated count of Households within each of the eligible tribal block groups along with their Location ID that you connected to your network. The locations should match and conform to the Federal Communications Commission (FCC) Broadband Serviceable Location Fabric, which is a unique identifier for the geographic coordinates, and where available, the address(es) associated with each location. Please be sure to select 'Annual Report' checkbox when completing the addendum.		
10	Using the Excel spreadsheet template titled "TBCP Reports Addendum B", please provide an updated count of Tribal Businesses within each of the eligible tribal block groups along with their Location ID that you connected to your network. The locations should match and conform to the Federal Communications Commission (FCC) Broadband Serviceable Location Fabric, which is a unique identifier for the geographic coordinates, and where available, the address(es) associated with each location. Please be sure to select 'Annual Report' checkbox when completing the addendum.		
11	Using the Excel spreadsheet template titled "TBCP Reports Addendum C", please provide an updated count of Community Anchor Institutions (CAIs) within each of the eligible tribal block groups along with their Location ID that you connected to your network. The locations should match and conform to the Federal Communications Commission (FCC) Broadband Serviceable Location Fabric, which is a unique identifier for the geographic coordinates, and where available, the address(es) associated with each location. Please be sure to select 'Annual Report' checkbox when completing the addendum.		
CERTIFICATION	I certify to the best of knowledge and belief that this report is correct and complete for performance of activities for the purposes set forth in the award documents.
