

OMB Control No. 0660-0047 Expiration Date: 07/31/2025

TRIBAL BROADBAND CONNECTIVITY PROGRAM ANNUAL REPORT										
GENERAL INFORMATION										
	Recipient Organization:	Tunica-Biloxi Tribe of Louisiana	Award Identi	fication Number:	NT22TBC029	0020				
	Recipient Street Address:	150 Melacon Road	Report Subm	ission Date						
RAL	City, State, Zip Code:	Marksville, LA 71351	(MM/DD/YY		05/01/2023					
GENERAL	DUNS/UEI Number: Period of Performance Start Date (MM/DD/YYYY):	05/01/2022	Period of Per	Performance End Date 04/30/2024						
	Report Period Start Date (MM/DD/YYYY):	10/01/2022	Report Perio	d End Date	05/01/2023					
	Provide the number of locations or geographic areas at which broadband service was provided using the grant funds. (Please attach associated shapefiles of geographic areas) (600 words or less)									
1	Due to program implementation delays the tribe requested and was approved an I-year no-cost extension. As of May 8th, the project staff has been hired and the project implementation has begun as of May 1st.									
	Please describe each service pro	vided with grant funds. (600 words or less)							
2	Due to program implementation delays the tribe requested and was approved an I-year no-cost extension. As of May 8th, the project staff has been hired and the project implementation has begun as of May 1st.									
	If applicable, please list subcontr	ractors and describe how they expended f	unds. (600 wo	rds or less)						
3	N/A									
	Please describe how the recipien	nt and subrecipient (if applicable) expende	d the funds. (6	600 words or less)						
4	Due to program implementation implementation has begun as of N	delays the tribe requested and was approve	ed an I-year no	-cost extension. As of May 8	th, the projec	t staff has been hired and the project				
	implementation has begun as or r	viay 13t.								
	If applicable, please list each sub	precipients that received a subgrant throug	gh funding. (60	00 words or less)						
5	N/A									
	Please provide the barriers to broadband use and adoption or broadband infrastructure deployment work that you experienced during the reporting period of this award to date. What steps did you take to address them? (600 words or less)									
6	We have just began the project. The time that it is taking to get accurate quotes from all vendors involved in the project. And the hiring process to get new employees onboard to support the project.									
	Please describe whether or not your organization connected NOFO purpose areas to broadband adoption and use or broadband infrastructure deployment work. (600 words or less)									
_	Due to program implementation delays the tribe requested and was approved an I-year no-cost extension. As of May 8th, the project staff has been hired and the project									
7	implementation has begun as of May 1st.									
	Please describe your project's ac	thieved accomplishments during this repor	rting period. (6	600 words or less)						
8	We have Just Hired two IT Help desk Specialists that start May 8th to Support the tribal members in setting up new broadband services and training in Digital Literacy. We are also in the process of ordering new desktops and laptops for those tribal members. We are also in talks with several internet vendors to provide internet to those families.									
9	Using the Excel spreadsheet template titled "TBCP Reports Addendum A", please provide an updated count of Households within each of the eligible tribal block groups along with their Location ID that you connected to your network. The locations should match and conform to the Federal Communications Commission (FCC) Broadband Serviceable Location Fabric, which is a unique identifier for the geographic coordinates, and where available, the address(es) associated with each location. Please be sure to select 'Annual Report' checkbox when completing the addendum.									
10	Using the Excel spreadsheet template titled "TBCP Reports Addendum B", please provide an updated count of Tribal Businesses within each of the eligible tribal block groups along with their Location ID that you connected to your network. The locations should match and conform to the Federal Communications Commission (FCC) Broadband Serviceable Location Fabric, which is a unique identifier for the geographic coordinates, and where available, the address(es) associated with each location. Please be sure to select 'Annual Report' checkbox when completing the addendum.									
11	Using the Excel spreadsheet template titled "TBCP Reports Addendum C", please provide an updated count of Community Anchor Institutions (CAIs) within each of the eligible tribal block groups along with their Location ID that you connected to your network. The locations should match and conform to the Federal Communications Commission (FCC) Broadband Serviceable Location Fabric, which is a unique identifier for the geographic coordinates, and where available, the address(es) associated with each location. Please be sure to select 'Annual Report' checkbox when completing the addendum.

	Household Locations in the Service Area											
The Location ID is the Fabric ID associated with the Federal Communications Commission maps required by the Broadband Deployment Broadband Deployment Accuracy and Technology Availability (DATA) Act, Pub. L. No. 116-130, 134 Stat. 228 [2020] (codified at 47 U.S.C. § 641-646) (Broadband DATA Maps). The "location jd" data element is a unique identifier for the location served. A Location ID should be included for each location in the Broadband Serviceable Location Fabric when the Fabric is made available to filers. Number of units refers to one location that has multiple units within that one location. Please insert rows at the bottom of the table to report additional location data if needed.
